

Welcome to Year 5

We are really excited to be working with your children this year. We thank you for the amazing support we know you will give them with their learning.

ENGLISH

Our text for Term 1 is full of action, adrenaline and adventure. The main character is a child of similar age to Year 5 pupils and is on a mission to uncover the truth about his uncle's mysterious death. With this engaging text we will develop writing in different areas including diary entries, explanation texts, recounts and balanced arguments. Our learning in English will also link across the curriculum as part of the 'Spy School' theme.

MATHS

As we return to school, we will begin with the important basics of place value. Children will work on their understanding of number lines, how numbers can be partitioned, compared and ordered; as well as rounding numbers to the nearest hundreds, thousands etc. As always, it is vital that children keep working on their times tables as this supports so much of their learning. Remember to make good use of your Times Tables Rockstars login!

REMINDERS

We have PE twice a week this term. Thank you for ensuring the correct kit is in school, including suitable footwear. Earrings must be removed for PE.

Please make use of the contact books for notes into school.

OTHER AREAS OF LEARNING

In Science, we will be learning about Space.

In History, we will be learning about World War II and how it changed society.

In computing, we will be learning about online safety and develop our programming skills by building code.

In RE we will be learning about Hinduism with a focus on prayer and worship.

In PE, the focus will be Tag Rugby and learning the Haka dance.

Our jigsaw theme for PSHE is Being Me in My World

We look forward to working with you this year and please do not hesitate to contact us if you have any questions or concerns.
