

Learning Rocks! (Rocks & Soils)

Year 3, Term 2

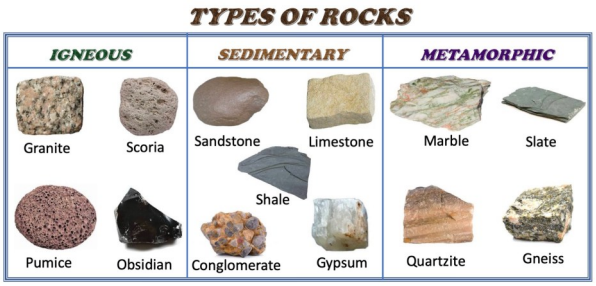

We are going to learn about how rocks are formed and the properties of different rocks and soils. We will also be learning about fossils.

Rocks are found all around us. There are many different types of rock and they are all good to be used for different things.

The main types of rock are

Igneous, Sedimentary and Metamorphic.

Key Vocabulary

granite	marble	chalk
sand	clay	rock
