Year 1

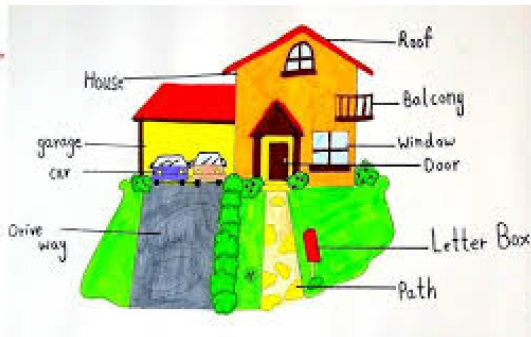

Easter holiday

Creative homework

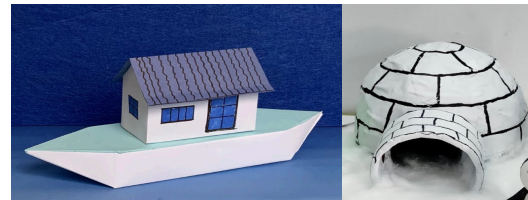

Dear Parents/Carers

Your child needs to complete one of the activities on this sheet over the Easter holidays. You may wish to complete more, which would be great! Our topic for term 5 is 'Homes' and we will be learning about how homes have changed over time. Please bring the final piece(s) to school during our first week back in April.

Draw different types of homes and label them.

Build a model of a home from around the world (igloo, caravan, tent, houseboat). What is it made from? Where in the world would you find it?

Create a simple fact file about a type of home. What does it look like? What materials is it made from? Where is it found?

Modern Age

Take a walk around your local area. What types of homes can you see? What things are similar or different? Write or draw what you have found.

Have fun over the Easter holidays and remember to keep reading. I am looking forward to seeing the results of your hard work in April.

Miss Pirwany
