

Key Stage One – SEND Learning Grid (February 1st to 11th)

This grid is designed to be used for flexible learning. Choose an activity and tick it off when completed. If your child enjoys it, then remember to do it again another time!

This week we are introducing the website Busy Things - [Learn Through Play with Busy Things! | Busy Things](#). There are links in the grid below. To access the activities you will need the username: Westcourt1 and the password Silver2.

Read the nursery rhyme of Jack and Jill. Clap the rhymes and try to allow the child to predict the rhyme. L	Retell the nursery rhyme of Jack and Jill using the sequencing pictures (see resources below) L	Talk about and name the pictures of farm animals. Sing the song Old Macdonald. Practise writing using the words printed and write over the top. (See resource sheet) L	Create some porridge oats playdough for sensory play see resources below FMS
Use some string or wool and pasta or beads to make a necklace. This can also be used as a counting bead string. FMS N	Have a look at the Year of the Ox sheets. This is the animal for the Chinese New Year. What year are we in now? Gather your colours together and follow the numbers! A / Theme	Use the house sheet below to create your own house. Where will you place the windows and doors? What materials is it made out of? Art/DT	Focus on numbers to 10. Use the sequencing snake sheet to find and add the missing numbers. You do not need to do these all in one go. (See resource sheet) N
Choose one of the space and measures activities from Busy Things. Log in, click on EYS, then Reception, the maths Busy Things N	Practise forming numbers 1-5. You can use the sheet provided, but you could also write them into shaving foam, or make them out of playdough. see resources below N	Choose one of the shape activities from Busy Things. Log in, click on EYS, then Reception, the maths Busy Things N	Play the who, where, when board game. You will need a dice and some counters. see resources below L N
