Dear Parents and Carers,

FREE TRAINING OPPORTUNITIES FOR PARENTS/CARERS

The Primary First Trust are members of The National College, a multi-award-winning online training provider. Over the last few years National College has become embedded into our staff training programmes across all of our schools and we are now delighted to let you know that we are now able to open up this training opportunity to you, our parents and carers.

What does this mean for you?

As part of our membership, The National College provides dedicated training and resources for parents and carers – particularly around online safety and keeping children safe online.

Online safety advice on any topic

Of course, staff will continue to teach children about the risks online, but with the internet so readily accessible, the most effective approach to online safety needs everyone involved, including parents and carers.

That's why you've now got access to ***hundreds of courses, explainer videos and online safety guides*** to support your awareness of the online world. Topics range from understanding apps like TikTok and Instagram to recognising the signs of online harm and what you can do to help.
