

Year 6 Term 5

Newsletter

This is your child's penultimate term here at Westcourt Primary School and one of their most important. During this term, the children will be completing their SATs papers from Monday 11th to Thursday 14th May. Attendance during this week is vital as all the children need to take the tests at the same time. During this week breakfast will be provided for all children from 8.30am—a letter regarding this will be sent out nearer the time.

How you can help at home

We will continue to set homework this term to ensure your child is retaining what they have learnt over the last year. This is to support their learning leading up to the SATS. Any support you can provide your child during this time would be appreciated.

English

We will be writing a plethora of genres this term to ensure that the children can demonstrate their writing abilities.

How you can help at home

Ask your children what they are writing about at school. Ask them how they could make their characters more interesting. How could they include extra details to create a picture for the reader.

Maths

We will be focusing on problem solving and asking the children to recall all the skills they have learnt in order to solve word problems ready for their SATs papers.

How you can help at home

Encourage your child to use the online platforms they have access to; this will support them in the retention of what they have learnt.

Topic work

This term we will be learning about Mayan Civilisation. After the SATs we will focus on the wider curriculum including music, art and French.

Please ensure that your child has a PE kit everyday this term as we may take the children out for extra PE.

If you have any questions about term 5, please do not hesitate to get in touch.

Miss Tripp
