

Canada Class Term 1 Newsletter

In English we will be reading 'Gregory Cool' and 'Lob'. Both are fantastic books and will give the children a chance to compare and contrast, write in the first person, research and present information, use features of poetry and instructions and plan and write a non-fiction text!

English

Throughout Term 1 our topic will be 'Travelling'. Our English, Geography and D&T lessons will all be linked to this topic!

P.E will take place on Mondays and Tuesdays. Please make sure your child has the correct PE kit in school on these days. Please ensure all your child's school clothes are clearly named.

We will begin the term by focusing on number and place value; representing and partitioning numbers to 10,000 and rounding to the nearest 10, 100 and 1000. We will then move on to addition and subtraction of two four digit numbers.

Thousands	Hundreds	Tens	Ones

Maths

In Geography the children will be using an atlas to name and locate countries and cities in the UK as well as name different geographical regions. We will also be looking at physical and human features of London and the Lake District and making a comparison.

Geography

We are also learning

Science—grouping and classifying living things.

R.E—Buddhism; is it possible for everyone to be happy?

P.E—Bollywood dance and handball

D.T — food hygiene and nutrition and cake making!

Music—creating sound effects

Homework

Homework will be sent home every Friday and should be returned by the following Friday. Homework contains spellings that your child will be learning the following week and times table practice.
