Tuesday 20th October 2026

Dear Parents/Carers

Swimming Lessons Term 2 – Sri Lanka class

In term 2 your children will be having swimming lessons on Friday afternoons on the following dates:

Friday 6th November until Friday 11th December 2026 (6 sessions) at Cascades Leisure Centre, Gravesend. We ask that you contribute £21.00 towards the costs of these sessions. This is equivalent to £3.50 per week.

We will be travelling by school minibus to the swimming pool following afternoon registration and return to school afterwards. The £21.00 contribution is towards the cost of the swimming pool and the qualified swimming teachers; the remainder is subsidised by school. We rely on contributions being paid to enable us to take as many children as possible, therefore we would appreciate it if you could make this payment.

Swimming is a compulsory requirement within the National Curriculum and not a choice of whether children want to attend. Therefore, all children must bring to school with them on Friday's, a swimming costume, towel and swimming hat (for children with longer hair). All earrings must be removed. Even children that are nervous of the water will be encouraged to get in by the 3 qualified teachers at the pool.

Payments are to be made using your Arbor app and can be found under Activities/Clubs/Swimming. We are unable to accept cash in school. If you have any concerns or queries, please contact the office to discuss further.

Yours faithfully

Miss M Sexton
Head Teacher

Swimming Lessons at Cascades Leisure Centre, Term 2, Sri Lanka class

I give permission for my child ..... in Sri Lanka class, to travel by school minibus.
Signed by parent/carer: ..... Date: .....
I agree to contribute £21.00 for 6 swimming sessions in term 2 and payment made on my Arbor account.
Should necessity arise, I agree with the person in charge of the party giving consent on my behalf for anesthetic to be administered or for any urgent medical treatment.
Any child suffering from Asthma or any other breathing symptoms please write the details on this form and ensure the school has all the correct medication on the day of the trip.
