Message from Miss Sexton

Well, it is the end of another year and as we look back, we have so much to celebrate! Whether it has been your first year at Westcourt or it is your last, you can all be proud that all of the children have worked so hard. School isn't just about lessons and academic progress (this is important!) but also it is about nurturing young people into the adults that they will become. My proudest moments as a head teacher are when people from outside of Westcourt, comment on the well-mannered and fantastic behaviour the children show. At this point, I would like to wish all of Year 6 good luck as they move onto different secondary schools. It has been a privilege to have you here and I look forward to hearing about all the success you have as you move on. Do come back and let us know! I also would like to say a huge thank you to Miss Miles and Mrs Gorgota. Miss Miles is moving onto a new school in which I know she will continue to bring joy to more children and Mrs Gorgota is taking some time out to focus on her family. I know you will join me in wishing them both lots of luck.

Finally, I would like to wish every single one of you a very happy summer. Please stay safe and I look forward to welcoming you back in September.

After School Clubs

All our clubs have now finished until we return in September. Different after school clubs run for each school term and you will all receive messages on Arbor during the first week back of each term advising how and when to book a place. All clubs have limited availability so please do not wait to book as you may be disappointed. Please take a note of the dates of when the club you have booked, starts and finishes. There will also be a copy of the timetable on your Arbor account under: Activities/Clubs. Children need to be collected on time as late collection may result in your child's space being withdrawn.

School finishes for Summer on Friday 17th July at 2.15pm. Children return on Thursday 3rd September. Please check our website for all term dates using the link below.
