

Dear Parents/Carers, this term Mexico Class will

be learning about pirates

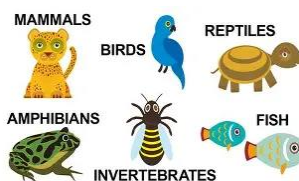

Mexico Class

English

In English, we will be studying a book called 'How to find gold'. From this book the children will use their phonics to write instruction on how to find gold. They will also describe the main characters from the book and write a diary describing the treasure. The children will begin to learn cursive handwriting joins. Please read with your child for 10 minutes a day as this will support their learning across the curriculum.

Science

In science, we will be finding out about animal's needs. The children will learn the different species of animals and recognise that all animals have the same basic needs - water, food, air and shelter.

PE

This term we will be learning dance on Tuesday and games on Thursday. Your child must have full PE kit in school, including joggers, warm top and trainers for the outside PE activities.

20 + 4	40 + 3	30 + 7
24	43	37

Maths

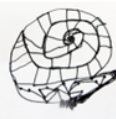

We will focus on developing a secure understanding of place value to 100. The children will represent and partition numbers in different ways. The children will also learn how to add and subtract numbers using equipment. Please encourage your child to practise counting to 20, 50 or 100 forwards and backwards. Remember to complete activities on Times Tables rockstars each week.

Geography

The children will learn about the countries in the UK, the capital cities and surrounding seas. They will also learn about the seven continents and oceans around the world.

ART

In art, the children will create continuous line drawings and wax resistant drawing using natural items.

Looking forward to a great term. Thank you from Mrs Walters
