THE
PRIMARY
FIRST
TRUST

Dear Parents/ Carers,

Well it has certainly been 'flaming' June! We hope that this good weather is around for our family picnic on Tuesday 1st July. I look forward to seeing you all then, it is going to be great fun!

The picnic is part of our wellbeing week in which children will be thinking about transition and change.

On Wednesday 2nd July your child will bring home a letter, to let you know who their class teacher will be next year. They will then have their first transition session on the Friday. It is very important that all children are in for these sessions as it is a time to start to think and prepare for the following year.

Please keep your eye out for all the dates and events over the next three weeks. Do not forget all messages are now sent to you via the Arbor App so please check this regularly. This is especially important for Year 6 parents as you and your child have a busy schedule ahead!

I look forward to seeing you on the 1st July at the family picnic.

Miss M Sexton

Head Teacher

On Tuesday 8th July, all class teachers will be handing out annual reports at the end of the school day. These will only be given to the child's parent, however, if you would like this to be given to an older sibling or friend who collects your child, please can you put this in writing by email or a short note to advise the class teacher. If you are unable to collect on Tuesday 8th July, the report will be held in school safely until you are able to.

You can speak to your child's class teacher on Tuesday 8th July from 3.30 to 4pm if you collect your child's report on this day. You do not need to make an appointment and can just wait during this time to speak to them.

Thank you for all your support this year.

24th June 2025

As the weather has got warmer, please can you ensure your child has a named water bottle in school with them in the mornings, which can be refilled during the day to keep them cool and hydrated. Please can names be put on the bottles as children do take these with them outside and can be found all around the school.

Sun cream should be applied on your child before they arrive to school in the morning. It would also be beneficial for children if they had a hat with them, clearly marked with their name, which will be used for outside play. These can be returned to the correct child, if names are marked inside.

Children do spend a lot of time outside throughout the day so your support is greatly appreciated.

Monday 30th June

Reception class to year 6 parents reading in class with children from 2.30pm, enter via classroom doors

Tuesday 1st July
